

# Adebambo Tunde

## Software Developer

I am interested in web development, both front end and back end. The industry is fast paced and constantly moving, therefore one that requires constant learning. As a lover of learning this is interesting to me as there will always be new things to learn and new challenges to overcome and the mastery of time gained.

## EXPERIENCE

- **Software Developer**  
2015 - Present  
**TechOne Atlantic**
